### Parent Feedback

We appreciate all of the parent feedback cards regarding our center. We have been reviewing each and every response carefully and immediately. We definitely thank all parents for the positive feedback and appreciate the time you took to fill out the form.

If you have not filled out a form regarding feedback on our center you may find them up front by the main entrance. Thanks for the feedback!

### Immunization Update

We need updated immunization records for all children. Please bring copies as soon as possible if you have not recently done so. If your child has been here for a year, the state requires an updated health care summary to be filled out by a health care professional at your child's doctor appointment. You will receive a notice if your child is in need of this form.

## Center Expansion

Early Years is very excited to announce that we are expanding to a 3<sup>rd</sup> location in West Fargo, ND in September 2010. This location will cater to 60 children ages 6 weeks to school age.

The Early Years Learning Center is conveniently located off of 9<sup>th</sup> Street East in the Pioneer Center.

With this expansion, we would like to congratulate the Assistant Director, Jenny C. of the Early Years Enrichment Center for being promoted to the Director of the Early Years Learning Center in West Fargo! She has been with Early Years for nearly 2 years and will do an excellent job of upholding the highest standards and

requirements of the Early Years programs. If you are interested in switching locations to better suit your family needs, please come into the Moorhead location and talk with Chelsey. Please check out our website:

For additional information regarding our new location!

## New changes at Early Years

### Summer camps and field trips!!!

Our summer camp and field trip schedule is out for our school age and preschool families. Please check off the fieldtrips that you would like your child in attending and total the payment at the bottom. We base our staffing and busing numbers on the turnout of the permission slips that are returned. We have a no refund policy if your child is

ill, on vacation, or does not show up. Please see the field trip forms for additional information. The summer camps that Early Years will be offering for our school ages and pre-kindergarteners. These are additional enrichment camps that will be taught by a qualified staff member or professional based on a theme. A few of the upcoming camps are Spanish camp,

scrapbooking camp, and football camp. These camps will not be affecting the golf lesson, swimming lesson, or field trip schedules!
